ALBURY-WODONGA DANCE CENTRE TRAVEL CLUB COMMITTEE

AWDC Travel Club Committee

Welcome

everyone to our first AWDC Travel Club Committee Newsletter.

The members at Albury Wodonga Dance Centre (AWDC) have put together a committee called the AWDC Travel Club Committee. This committee has been developed to help raise money for the dancers that would like to participate in local and interstate competitions. Like most sports there are costs to do this. Dancing is a very expensive sport and we are lacking young children, teenagers and adults because of the cost. So we are hoping to raise some funds to help assist them continue their achievement and encourage others to experience the growing dance industry.

The Dancers have the cost of lessons (not only with our instructors but sometimes professional guest dancers), costumes, grooming and travel costs. What we are hoping to raise money for is the cost of the kids Entry Fees into the comps, maybe a percentage towards some fuel cost and we are currently in the process of organising Studio Jackets. These jackets are not only for the competitors, they will be available through the studio for anyone to purchase.

We are starting to collect donations for our Xmas raffle so if anyone has any goodies they would like to donate or has contacts to a company that could donate please let me know.

So if anyone has any ideas or would like to be apart the committee please don't hesitate to contact anyone on the members list below.

We would like to thank those people that have helped with our previous fundraisers of the chocolates or at the kids disco's. A big thank you to Chris Booth for being our DJ, and also to Stan and Theresa for their kind donation.

Our current bank balance is \$971. 😊

Dates to Remember

- **Kids/Teens Disco**
Sat 22nd Sept 2012
- **Xmas Raffle**
Drawn at the
Studio End of
Year Exams

IDEAS

We are currently thinking of doing an Adults themed quiz night.

If we can get feedback, to see how many people would actually be interested that would be great.
